### House Appropriations Request FY 2011

**Project Name:** On Track to Learn Math – Three  
**Recipient:** University of North Carolina at Greensboro  
**Recipient Address:** 1111 Spring Garden St.

**Recipient City:** Greensboro  
**Recipient State:** NC  
**Recipient Zip:** 27401

**Amount of Request:** \$189,938

**Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds):**

The purpose of this project is to develop a model after-school mathematics program that will be widely disseminated, addressing the problem of preparing students for 21st century problem solving. Additional benefits include the development of pre-service and in-service teachers who can teach mathematical problem solving and reasoning in North Carolina elementary schools.

*In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.*
